

Job Description

Job Title: Chief Financial Officer

This role is responsible for overseeing all of 6Connex's global finance, accounting, and administration activities.

You are an analytical, proactive, decision-maker with deep knowledge of financial and accounting concepts and practices. You love creating and developing processes and procedures that create a high-level of accuracy and accountability in an organization. You want to work in a competitive, fast-moving environment allowing independence and freedom to create your success.

We are a fast-growing tech startup with big ambitions named 6Connex. We are a leader in virtual events software and are growing very quickly. Your mission will be to take our high-performing organization and evolve it to the next level(s) with best-in-class financial management, accounting practices, and administrative procedures.

ESSENTIAL DUTIES AND RESPONSIBILITIES

The **Chief Financial Officer** is responsible for all finance, accounting, and other administrative activities throughout our worldwide organization. Specific responsibilities may include:

- Development and adherence to annual and long-term strategic financial operating plans
- Oversight of capital raising, return on investment, and allocation
- Oversight of accounting operations and practices to ensure timely and accurate reporting in-line with GAAP requirements
- Ability to track and report standard SaaS financial operating metrics (NRR, LTV, CAC, etc.)
- Provide input to the Board of Directors and CEO regarding financial strategy
- Successful completion of annual audit under PCAOB Standards

QUALIFICATIONS AND REQUIREMENTS

- Senior-level track-record running high-velocity organizations, specifically in B2B Enterprise software experiencing very rapid growth
- Deep understanding of financial management and accounting practices (esp. within SaaS companies)
- Detail orientation with a focus on accountability and correctness
- Excellent leadership, verbal, written communication, and presentation skills

LOCATION

This position is remote-optional or in our San Antonio HQ, but our only requirement is you should be located in a US time zone. We offer competitive compensation, great career growth potential, and a comprehensive benefits package
